

SAINTGITS COLLEGE OF ENGINEERING

Presents

SRISHTI - 2019

6th National Level Technical Project Competition & Exhibition

18th & 19th February 2019

www.srishti.saintgits.org

In association with

**National Instruments, MathWorks, Kerala Startup Mission,
Rezpo, Solid Blocks Semiconductor Solutions,
Saintgits Industrial Research Centre (SIRC) &
Saintgits Centre for Innovation and Entrepreneurship (SCIE)**

BEST INNOVATION AWARD ₹ 1,00,000/-

Total Prize Money worth ₹ 3.93 Lakhs

The aim of SRISHTI is to promote the innovative and entrepreneurship talents of engineering students in our nation. SRISHTI 2019 invites technical project synopses from enthusiastic students of Engineering Colleges. The theme of SRISHTI-2019 is **"DISRUPTIVE TECHNOLOGIES"** which means displacing established technologies. Students can register their projects and win awards in the following segments irrespective of their branches.

MathWorks Awards - Application Development using MATLAB ₹ 25,000

Theme based best Project ₹ 12,000

"Do Engineering" using LabVIEW ₹ 12,000 + myRIO hardware

Chemical Engineering ₹ 12,000

Civil Engineering ₹ 12,000

Computer Science ₹ 12,000

Electrical Engineering ₹ 12,000

Electronics Engineering ₹ 12,000

Food Technology ₹ 12,000

Instrumentation & Automation Engineering ₹ 12,000

Mechanical Engineering ₹ 12,000

Robotics Engineering ₹ 12,000

Artificial Intelligence Award ₹ 12,000

Most Popular Project Award ₹ 10,000

Business Plan Award ₹ 5,000

Best Stall Award ₹ 3,000

**We request you to promote Srishti - 2019
among the students and the faculty members and make it a success**
